

Emergencies.

Severe Weather.

Threats to Homeland Security.

When situations arise in Southeastern Pennsylvania that may affect you and your family, **ReadyNotifyPA** lets local officials notify you quickly.

ReadyNotifyPA can send an E-mail or a text message to your cell phone or other E-mail enabled device. You let **ReadyNotifyPA** know how you'd like to be notified. The alerts are free; however, your cellular provider may charge for text messaging. Receiving text messages is easy and not just for kids.

Be among the first to find out and stay informed during an emergency.

You choose the county or counties – Bucks, Chester, Delaware, Montgomery and Philadelphia – that will send you alerts. Pick the county or counties where you spend most of your time – it can be where you live, work or play.
