**FILING INSTRUCTIONS:** The Quarterly Estimated Earned Income Tax forms below are designed to provide a form for each of the calendar quarters.

To calculate the amount, estimate your total income, multiply by .015. This amount is your tax due. Subtract any credit from prior year and/or tax withheld by employer. This amount is your payment due.

Tear off and mail one form each quarter along with your payment of estimated tax due. Name, address, and Social Security Number must be filled in by taxpayer.
